

Short-term rental. 0% financing.

Get the Technology You Need to Grow Today

Finance your test equipment with us and discover the benefits.

Flexible financial solutions to meet your budget and business requirements.

Financing can help you focus on your critical business needs, accelerate innovation and improve overall business performance.

Flexible solutions to make the most of your operational and capital budgets.

WHEN COULD RENTAL OR LEASING BE OF INTEREST FOR YOU?

- If you need extra flexibility to finance your equipment needs
- If you want to keep your financial capacity open for other investments
- If it's easier for you to get an approval via OpEx instead of CapEx
- If your equipment budget for this year has already been spent

YOUR CHOICES¹

	SHORT TERM RENTAL	OPERATING LEASE	FINANCIAL LEASE
INFO	Get the equipment when you need it! Get the equipment when OpEx is only available. We offer moderate monthly rental rates.	Leasing a form of financing, involving a contract for the use of specific equipment, for a specific period in time. The regular fixed payment amounts are agreed in advance. Ownership of the underlying assets vary, depending on your requirements.	
FOCUS	Short-term rental OR rent-to-own	Long term equipment use	Equipment ownership after lease
EQUIPMENT	NA	New or Refurbished	
PERIOD	Min. 1 Month	Min. 12 months/ Max. 72 months (may vary by country)	
PROGRAM DETAILS	Focus on Use List price of required solution: Min. 10.000 Euros (or local currency equivalent). Available in Europe only	Focus on Use Lease where the lessor retains ownership of the equipment. As a customer of Tektronix, you pay for the rental.	Focus on Ownership As a customer of Tektronix, you acquire the equipment with the purpose of owning it at the end of the lease.

YOUR CHOICES

	SHORT-TERM RENTAL	OPERATING LEASE	FINANCIAL LEASE
BENEFITS	<ul style="list-style-type: none"> • Available quickly • Get it when only OpEx is available • Bridge the time until you receive CapEx • Receive credit up to 80% of the paid rental fees² 	<ul style="list-style-type: none"> • 0% Financing - interest-free for up to 36 months¹ • 100% Inclusion: 'Soft' costs, such as software and training, can also be included in the monthly payment. • Purchase or Renewal Options: At the end of the term, you can choose to purchase the equipment, upgrade to new equipment or continue with the finance option. • Conservation of Capital Budget: While your money is not tied up in the equipment costs, you may be able to spend it more effectively on other items such as supplies, personnel, training or campaigns to boost sales. • Keep Up with Technology: Equipment can also be replaced or upgraded to the latest technology at any time during the contract term. • Easier Cash Flow Forecasting: Fixed monthly payments help you maximize budgeting throughout the term of the agreement. 	
		<ul style="list-style-type: none"> • Lowest monthly payment of lease options • Payments are often tax deductible • Trade-up or add equipment during the lease term 	<ul style="list-style-type: none"> • The depreciation and interest expense will be applied to your balance sheet • Own the equipment at end of lease term • European Funding typically supports Hire Purchase/Paying in installments – talk to us!
OPTIONS AT THE END	<ul style="list-style-type: none"> • Purchase or finance the equipment at the end of the rental term • Receive financial credit if you order within 30 days after the end of the rental term 	<ul style="list-style-type: none"> • Purchase the equipment • Renew the lease • Upgrade to the latest model • Return the equipment 	<ul style="list-style-type: none"> • Purchase the equipment
PROTECTION	<p>Option: Secure</p> <p>Includes:</p> <ul style="list-style-type: none"> • 1 Day on-site Training (Installation & Introduction) • Warranty • Coverage of user-caused EOS and ESD damage • Coverage of accidental damage including wear & tear 	<p>Option: Secure</p> <p>Includes:</p> <ul style="list-style-type: none"> • 1 Day on-site Training (Installation & Introduction) • Extended Warranty & Calibration <p>Option: Secure+ <i>(when available)</i></p> <p>Includes:</p> <ul style="list-style-type: none"> • 1 Day on-site Training (Installation & Introduction) • Extended Warranty & Calibration • Coverage of user-caused EOS and ESD • Coverage of accidental damage including wear & tear • Loaner shipped within 48 hours 	

¹ Available in most European countries, talk to us for details. Tektronix and its affiliates have arranged to make financing products available through our preferred lending partner that is qualified to offer the financing products in most European jurisdictions. Availability of the financing products will be subject to credit approval and execution of standard documentation approved by the lender. Not all customers may qualify for these rates. Rates will be based on customers' credit rating, financing terms, financing offering, location, product type and options. Not all Tektronix/Keithley products are eligible. In addition, unless otherwise stated, the pricing is exclusive of any applicable tax imposed on the products or the transaction. Other restrictions may apply. Tektronix reserves the right to change or cancel this program at any time without notice.

² Purchase order to be placed within 30 days after the end of the rental term.
